Helping Heroes At Home Take A Seat (TAS)

IFDA creates homes for many so how natural is it for us to want to help those who have no home to call their own. With this thought in mind our 2014 charity of choice is Habitat for Humanity Veteran Build, South Palm Beach. Our **TAS** event features chairs using up-cycled materials designed by area design professionals, artists and craftspeople; all to culminate in a Live Gala Auction to raise funds. Come see these creations at our many venues. Don't miss out!

Chair Designers

Application Fee:
\$95 member
\$115 non-member

Patrons Several levels of participation are Available starting at \$100.00
